Specialization

- Engineering Services
- Trading Services
- Civil Works
- Mechanical Works
- Electrical Works
- Steel Structure Works
- Piping Works
- Fabrication Services
- Procurement Services

Trading Services

Pipes

Steel Pipes:

- Carbon Steel Pipes
- Stainless Steel Pipes
- Alloy Steel Pipes

Iron Pipes

- Cast Iron Pipes
- Ductile Iron Pipes

Copper Pipes

- Type K
- Type L
- Type M

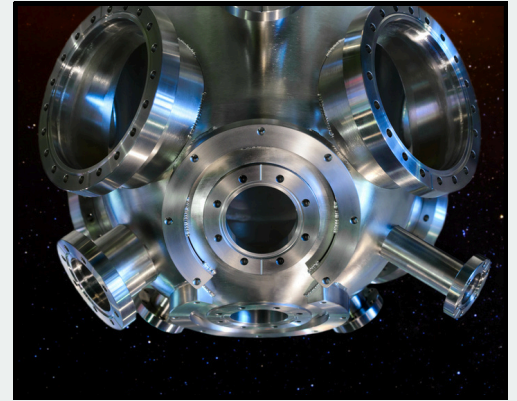

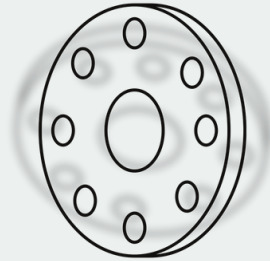

Plastic Pipes

- PVC
- CPVC
- PE
- PEX

Types of Flanges

- Weld Neck Flange (WN)
- Slip-On Flange (SO)
- Lap Joint Flange (LJ)
- Threaded Flange (TH)
- Blind Flange (BL)
- Orifice Flange
- Reducing Flange
- Spectacle Blind Flange
- Long Weld Neck Flange

Butt-weld Fittings

- Elbows
- Tees
- Cross
- Reducer
- Caps
- Stub Ends
- Nipples
- Bends
- Coupling
- Olets
- Laterals
- End Caps

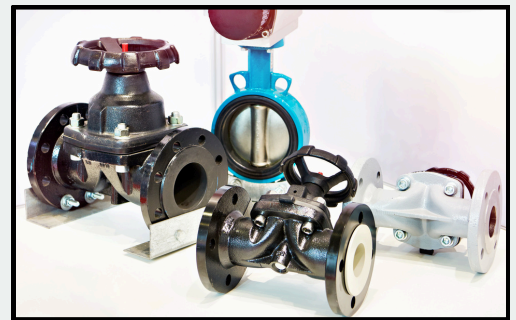

Screwed Fittings

Socket Weld Fittings

Valves & Types of Valves

- Gate Valve
- Globe Valve
- Ball Valve
- Butterfly Valve
- Check Valve
- Diaphragm Valve
- Plug Valve
- Needle Valve
- Pinch Valve
- Pressure Relief Valve
- Solenoid Valve
- Control Valve

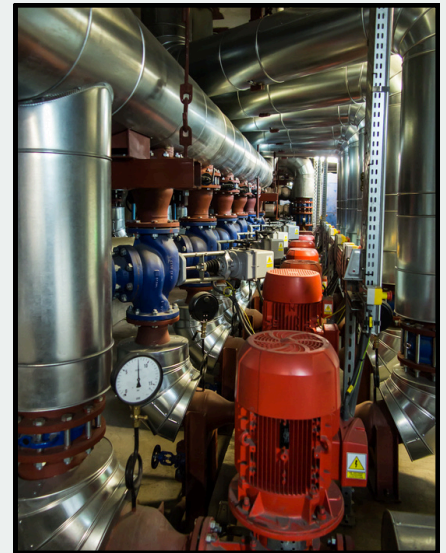

Fasteners

- Fasteners play a critical role in the integrity and functionality of assemblies and structures, making the correct selection essential for safety and performance.
- Choose fasteners based on the mechanical load they must support.

Pumps & Motors

- Understanding the specific requirements of the application and the characteristics of each pump and motor type is crucial for selecting the most appropriate combination for a given task.

SEW
EURODRIVE

 **LOWARA**

ABB

Lubricants

Selecting the right lubricant involves understanding the operating conditions, equipment requirements, and performance characteristics of different lubricant types to ensure optimal lubrication and equipment longevity.

Hand Tools

We offer a wide range of a well-equipped toolbox with a variety of hand tools that allows you to tackle a wide range of tasks efficiently and safely.

Power Tools

- We offer wide range of power tools, Having the right power tools for the job can significantly increase efficiency, productivity, and quality in various tasks and projects.

STANLEY

DEWALT

BOSCH

Makita

Astro Pneumatic

HITACHI
POWER TOOLS

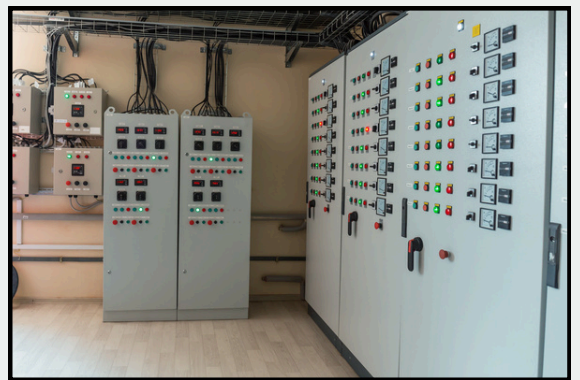

Bonding Agents

- We at Al-Raysi offers wide range of Bonding agents which are essential in ensuring the integrity and durability of various products and structures.
- Epoxy Bonding Agents
- Polyurethane Adhesives
- Acrylic Adhesives
- Silicone Adhesives

Power Switches, MCBs, Switchgear, and Contactors

- We at Al-Raysi offers wide range of These components which plays a crucial role in ensuring the safety, reliability, and efficiency of electrical systems across various applications.
- They play essential roles in controlling, protecting, and isolating electrical circuits.

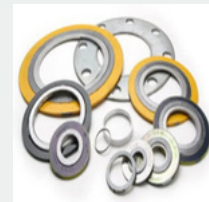

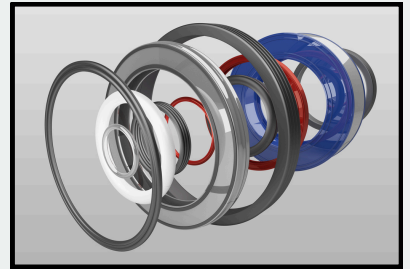

Tags

Tags are commonly used in various industries for identification, labeling, and tracking purposes.

- Stainless Steel Tags
- Phenolic Tags
- Cable Tags
- Tubing Tags
- Instrument Tags
- Equipment Tags

Gasket & Insulating Kits

We at Al-Raysi offers wide range of gaskets and insulating kits which plays vital roles in ensuring the safe and efficient operation of industrial systems, with gaskets focusing on sealing and insulating kits on preventing electrical conductivity and corrosion.

Safety Gears

- Fire & Safety Protection
- Confined Space Gears
- Sanitizer Gel
- Pad Locks
- Safety Locks
- Customized Requirments PPE's & Special PPE's
- Head Protection
- Hearing Protection
- Eye Protection
- Hand Protection
- Fall Protection
- Foot Protection
- Respiratory Protection
- Lifting Gears & Tools
- LOTO System
- Electrical Protection
- LOTO Boxes
- SAFETY Tags
- Color Code Tags
- Calibration Tags
- Silicon coated fire blanket

Manpower Services

"At Al-Raysi, we specialize in providing top-notch manpower services for the construction, industrial, mechanical, and electrical sectors. Whether you need skilled tradesmen for a large construction project, technicians for industrial operations, or engineers for mechanical works, our experienced workforce is ready to meet your needs. Our flexible staffing solutions ensure you have the right people at the right time, helping you complete projects on time and within budget. Partner with us for reliable, efficient, and skilled manpower solutions."

Manpower Services Overview

Construction Sector

Roles:

- Skilled Workers: Carpenters, masons, electricians, plumbers, welders, and painters.
- Unskilled Workers: General laborers, helpers, and site cleaners.
- Supervisory Staff: Site supervisors, foremen, and safety officers.

Services:

- Project-Based Staffing: Providing manpower for specific construction projects.
- Long-Term Contracts: Supplying labor for ongoing construction needs.
- Specialized Construction Services: Skilled tradesmen for specific tasks like electrical wiring, plumbing installations, and masonry.

Industrial Sector:

Roles:

- Machine Operators: CNC operators, lathe operators, and milling machine operators.
- Technicians: Maintenance technicians, electrical technicians, and HVAC technicians.
- Quality Control: Inspectors, quality control analysts, and testers.

Services:

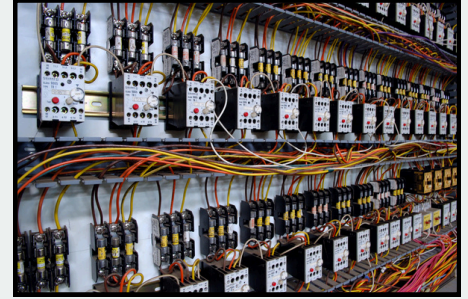

- Temporary Staffing: For short-term industrial projects or seasonal work.
- Permanent Staffing: For long-term positions requiring specialized skills.
- Shutdown and Turnaround Services: Providing a workforce for plant shutdowns and maintenance turnarounds.

Electrical Works:

Engineers:

- Electrical Engineers: Design and develop electrical systems and circuits.
- Power Systems Engineers: Focus on the generation, transmission, and distribution of electrical power.

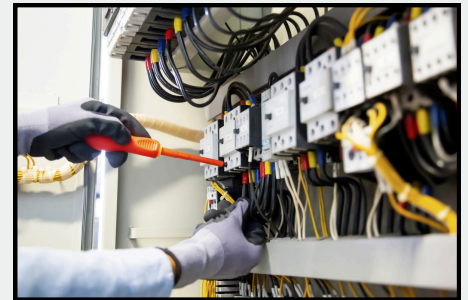

Electricians:

- Residential Electricians: Handle wiring, installation, and maintenance of electrical systems in homes.
- Commercial Electricians: Specialize in electrical systems for commercial buildings.

Technicians:

- Electrical Technicians: Maintain and repair electrical systems and equipment.
- Electronics Technicians: Work on electronic systems and devices, ensuring proper functionality.

Engineers /QA/QC

- Civil
- Mechanical
- Electrical
- Instrumentation
- Piping
- Welding
- Structural
- Insulation
- Painting
- Planning & Scheduling
- Quantity Surveyor
- Safety
- HVAC

Supervisors

- Civil Surveyors
- Safety Supervisors
- Safety Officers
- Electrical Supervisors
- Permit Receivers
- Piping Supervisors
- Mechanical Supervisors
- Material Controllers
- CAD Operators
- Riggers
- Site Admin
- Project Coordinator
- Document Controller

Skilled Workers

- Fabricators
- Fitters
- Millwrights
- Machinist
- Technicians
- Electricians
- Welders
- Plumbers
- Operators
- Scaffolders
- Steel Fixers
- Carpenters
- Masons
- Fire Watch
- Helpers
- Drivers

- Our comprehensive manpower services cover a wide range of roles and expertise areas, ensuring that your construction, industrial, mechanical, and electrical projects are staffed with qualified professionals. Partner with us to meet your workforce needs and achieve your project goals efficiently.
